Happy New Year!

2024...another year has come and gone! Be it professional or personal, an opportunity for growth and improvement lies with each New Year. Perhaps you may think that way as well. If not consider the possibilities that resolutions or changes may make for a more enjoyable life and more success at work.

Professionally, we can also set goals, both for improving our business and for developing our own capabilities. We can try to reach out to new customers or learn a new skill and challenge ourselves. Success comes to those who actively pursue excellence. If we focus on what we can do to improve at our job, the possible returns may surprise us.

Whatever path you choose to begin 2024 on, may it be of benefit to you and others as we in Barnesville strive to enhance relationships between residents and businesses.

Barnesville Business Spotlight

Every month, we will highlight at least one of our local businesses or organizations in town. We will shine a light on the products and services they offer and hopefully bring more awareness to our local residents of what we have available right here in town.

Barnesville Grocery has everything you need from A to Z. With great prices and a friendly staff, Barnesville Grocery carries what you need from grocery staples, produce, bakery, deli and meat.

They strive to make everything not only fresh, but delicious too. Their high standard for quality isn't just for the products they carry – but they expect high quality customer service from their employees as well.

Many rave over Nancy's Kitchen of homemade specialities, for good reason! From tasty meat and cheese trays to their fresh baked breads, every department works hard to deliver tasty, fresh options for their customers. Barnesville Grocery is also your go-to place for a convenient homemade meal, whether it's your weekly lunch stop or their ready-to-eat chicken for a quick supper.
